PROFESSIONAL EXPERIENCE

Native Camp, Japan (Remote) | Linguistic AI Auditor & English Language Trainer | 2023 - PRESENT

- * Audit and evaluate complex English conversations for a diverse global student base, focusing on naturalness, utility, and engagement.
- * Perform semantic analysis on learner output to identify subtle linguistic nuances and provide data-driven feedback for improvement.
- * Craft customized linguistic frameworks to address unique learning objectives and cultural contexts.
- * Adapt communication styles to meet the high standards of international business and academic environments.

Pyramids International Schools - American Division | ESL Specialist & Language Evaluator | 2019 - 2022

- * Delivered high-level linguistic instruction aligned with Cambridge standards (Starters, Movers, Flyers).
- * Evaluated student verbal and written output for grammatical accuracy, audio clarity, and contextual relevance.
- * Incorporated educational technology to monitor and assess linguistic development across diverse learner levels.
- * Tailored pedagogical materials to align with international standardized testing requirements (IELTS).

Concept - ESL Teaching Centers | Linguistic Content Facilitator | 2017 - 2019

- * Facilitated ESL coursework for teens using National Geographic's Time Zones, focusing on global linguistic awareness.
- * Conducted regular assessments of language proficiency and critical thinking through complex text analysis.
- * Nurtured communication skills by evaluating the "flow" and "utility" of student-led discussions.

Berlitz Egypt - Westwood Group LC | Language Acquisition Specialist | 2015 - 2017

- * Utilized specialized curricula to captivate young learners, focusing on phonetics and audio quality in language acquisition.
- * Designed dynamic lesson plans that prioritized interactive communication and multimedia resources.
- * Fostered cross-cultural sensitivity and linguistic fluency in a high-stakes, professional environment.

EDUCATION & CERTIFICATIONS

- * **Bachelor of Business Administration** - Cairo University (2006 - 2010)
